ACHIEVEMENTS

- Earned the prestigious **KIIT Merit Scholarship** in 3rd Semester for being in the top 3 among over 5000 students in 2nd semester, recognizing academic excellence and consistent performance.
- Received the **Pramila Smriti Prize** for Exemplary Overall Performance for the school year 2022-2023, acknowledging outstanding achievements in both academics and extracurricular activities among a competitive cohort of over 200 students.
- Ranked among the top 10% of over 11 lakh candidates in the **JEE Mains examination**, demonstrating analytical thinking and proficiency in Mathematics, Physics, and Chemistry.
- Achieved a notable position in the **WBJEE 2023**, ranking within the top 15% of over 100,000 candidates, reflecting a strong grasp of engineering fundamentals.
- Acquired **Ratna Certificate** for completing 7th year in Indian Classical Dance (Bharatnatyam) and Recitation, demonstrating long-term commitment, discipline, and excellence in performing arts.
- Clinched a position in the top 45 teams out of 200+ in the internal hackathon round for **Smart India Hackathon 2024**, tackling real-world problem statements with innovative solutions.
- Got shortlisted among 300+ teams in **ICDCIT Hackathon 2025**, demonstrating teamwork, logical thinking, and software development skills in a competitive environment.

PROJECTS

My Portfolio | React

- Developed a personal portfolio showcasing my skills, projects, and achievements in an interactive and structured format.
- Implemented a fully responsive design for seamless viewing across mobile, tablet, and desktop devices.

CookBook | React

- Built a dynamic recipe website enabling users to explore 1000+ dishes with detailed instructions and ingredients.
- Integrated an optimized search feature to filter recipes based on ingredients, dietary preferences, and cuisine type.

Currency-Converter | React

- Developed a currency conversion tool supporting real-time exchange rates for over 100 global currencies.
- Designed an intuitive and accessible UI with real-time API integration for accurate conversion calculations.

EXPERIENCE

HACKTOBERFEST 2024 Contributor

- Contributed to frontend development and data structures, successfully merging 5 pull requests.
- Engaged with over 7 open-source communities to enhance coding practices and collaboration skills.

KODESSA-KIIT Member

- Currently working on the official website of Kodessa as a frontend developer.
